

How to Get the EMORY Antimicrobial Stewardship App

First, create a uCentral account and download the App on your phone

On uCentral you can find apps dedicated to multiple disciplines and conditions, clinical calculators, and even the **Emory Antimicrobial Stewardship** app. As Emory clinicians you have access the uCentral platform. The uCentral platform “is an integrated web and mobile solution that helps clinicians quickly answer etiology, diagnosis, treatment and prognosis questions using the latest evidence-based-research.”

Then:

Access the uCentral platform on your smart phone:

- 1) Visit www.unboundmedicine.com/ucentral while on Emory’s wifi or using the Emory virtual desktop.
- 2) Click “Register a free account with Emory University”.
- 3) Complete the registration process.
- 4) Download the uCentral app on your smart phone (available for Apple or Google).
- 5) Log in using your Emory credentials.
- 6) Click on the **Emory Healthcare Antimicrobial Stewardship** button

**Don’t forget to update the app regularly by pulling down!*

Access the App on the VDT Workspace

Steps:

- 1) Log into the Emory Workspace on your computer.
- 2) Click “Apps” in the top banner.
- 3) Search “Stewardship” in the search bar on the right.
- 4) When the **Emory Antimicrobial Stewardship** app appears click the star to save it as a “favorite”. Now it will appear on your home screen when you log in.

Access the App via Epic

Steps:

- 1) Log into Epic
- 2) Select “Clinical References” on top bar
- 3) Click “EHC Antibiotic Stewardship (uCentral)”
